dear friends

Most Reverend R. Daniel Conlon
Bishop of Joliet

Dear Friends in Christ,

Serving the neediest among us is a vital function of the Church. Catholic Charities, Diocese of Joliet helps fulfill this important role in our community.

Please take a moment to read through this Annual Report and take note of the many generous individuals, such as yourself, who make the work of Catholic Charities possible. Without your support, our poor and vulnerable brothers and sisters would be unable to receive the help and inspiration that they need to become self-sufficient.

I express my gratitude to you for helping Catholic Charities do God's work within the Diocese of Joliet.

May the Lord bless you and those who are dear to you.

Most Reverend R. Daniel Conlon
Bishop of Joliet

Among us, who is above must be in service of others.

**This doesn't mean we have to wash each other's feet every day,
but we must help one another.**

- Pope Francis

Dear Friends of Catholic Charities,

Each year provides new opportunities to reach out to and better serve those in our community suffering from poverty, unemployment, loneliness, homelessness, and emotional pain. We are constantly reevaluating the needs that exist within the Diocese of Joliet and adjusting our programs accordingly. Fiscal year 2014 was no exception and we began several exciting new ventures.

Catholic Charities, Diocese of Joliet and Catholic Charities of the Archdiocese of Chicago were awarded a \$1.5 million grant from the Veterans Administration to jointly provide services to homeless veterans and those in danger of becoming homeless. The need among veterans is great and we quickly began growing our Supportive Services for Veteran Families (SSVF) program. This program provides case management, vocational counseling, employment assistance, educational assistance, budgeting assistance, housing counseling and support, daily living counseling, linkage to behavioral health services and linkage to VA benefits or additional veteran services available in the community. SSVF temporary financial assistance can help with rental arrearages, security deposits, utility assistance or deposits and moving costs.

We were blessed when the National Hookup of Black Women and private donor Nance Bruss recognized that our Head Start sites could benefit from a lending library. Through their generosity, we now have treasured libraries at all five of our Head Start sites.

Our Counseling Department became aware that our parish schools within the Diocese needed counseling services for their students and began providing counselors in eleven area Catholic schools. This program continues to grow.

These are just a few of the many accomplishments that Catholic Charities achieved in fiscal year 2014. You will read about many more achievements and honors throughout the pages of this report.

As always, thank you for your support and I look forward to another great year ahead!

Blessings,

Glenn Van Cura

Alternative Housing Programs

DuPage, Ford, Grundy, Iroquois, Kankakee, Kendall & Will Counties

Providing a variety of housing programs for individuals and families who are homeless or at-risk, including transitional housing, permanent supportive housing and more. These programs are designed to maximize a family's self-sufficiency.

TRANSITIONAL HOUSING

Rebecca struggled through a heartbreaking divorce and worked hard as a certified nursing assistant (CNA) to support her son as a single mother. This small family was self-sufficient until Rebecca was forced to stop working due to complications from diabetes, which eventually led to the amputation of both of her legs. After surgery, Rebecca became homeless when she was unable to work.

After a stay at Catholic Charities' Hope House homeless shelter in DuPage County, Rebecca and her son moved into a transitional housing apartment in a quiet neighborhood, where the young man quickly made lots of friends. Upon the advice of her case manager, Rebecca enrolled in Catholic Charities' Out of Poverty classes, which she found extremely helpful and inspirational.

Today, Rebecca is taking classes and working toward earning her G.E.D. She continues to heal physically and is learning to walk with prosthetics. Rebecca also makes better food choices to control her diabetes. "From the bottom of my heart, I'm so grateful to Catholic Charities," Rebecca said. "The agency has been a blessing in my own life... and for so many others."

Daybreak Center

Will, Grundy & Kendall Counties

Shelter

Providing year-round emergency shelter 24 hours a day. The program also provides professional case management and robust wraparound services such as employment programs that promote self-sufficiency.

Shepherd's Table

Feeding all members of the community who are hungry and unable to provide for themselves by offering a free mid-day meal. Shepherd's Table is also used as a warming and cooling center during extreme weather.

DAYBREAK CENTER

After 15 years as a heroin addict, 52 year-old Douglas hit an all-time low when he attempted suicide after being unable to purchase drugs. Shortly thereafter, Douglas found himself at Catholic Charities' Daybreak Center and began talking to a case manager about his journey and how hard he was working to stay sober. Douglas was given the opportunity to move from the emergency shelter into New Beginnings, a permanent supportive housing program for chronically homeless men at Daybreak Center. To date, Doug remains clean and sober and is thankful for this opportunity.

Douglas knows that he still has a long road in front of him, but he reports that it's becoming easier to ignore temptations. He's fully aware that the stakes are higher than ever. "No more room to fail," he says. And Douglas has a message for anyone else struggling with addiction, "If Daybreak Center can help me, they can help anyone."

Counseling Services

Will, Grundy, Kendall, DuPage, Kankakee, Ford & Iroquois Counties
815-730-4891

Providing healing and hope through caring and effective behavioral health services. The diverse and professional therapists provide a wide range of therapeutic services including individual, group, family, and couples therapy, in addition to specialized services such as anger management groups and preventative education programs. Individuals and families who are struggling financially may qualify for services at a reduced fee. Most insurance is accepted, including Medicare Part B and Medicaid.

Brian was a handsome 40 year-old man who had a magnetic personality, many friends, and a good job. His family adored him.

On June 4, 2013, Brian lost his life to suicide.

When Brian died, he left behind a shocked and devastated family. Shortly after Brian passed away, his family learned about Catholic Charities LOSS Program. LOSS, (Loving Outreach to Survivors of Suicide) is a free, non-denominational program that supports individuals who are grieving the loss of a loved one by suicide.

Brian's parents and his sister Amy decided to attend a LOSS meeting and immediately found great comfort in the supportive environment. They now attend LOSS meetings each month. Although the grief is still very painful, this resilient family has found comfort in the program and continues to heal.

Supportive Services for Veteran's Families

DuPage, Grundy, Iroquois, Kankakee, Kendall & Will Counties

Assisting veterans who are homeless or at risk of homelessness. Available services include: case management; employment and education assistance; locating housing, and helping pay rent arrearages or security deposits. Each program participant is linked with the US Department of Veterans Affairs to gauge eligibility for additional VA benefits and services.

SUPPORTIVE SERVICES FOR VETERAN FAMILIES

Richard, a 58 year-old veteran, was devastated when he learned that he would be evicted from his apartment. "I was a wreck," he said. "I'd never been in this situation before."

He wasn't immediately certain where to turn for help. However, after calling Catholic Charities, he was connected with the Supportive Services for Veteran Families (SSVF) program. Richard's case manager located a veteran's transitional housing program in Joliet for which Richard was eligible and prevented him from becoming homeless.

Richard is happy with his living situation, but eager to live independently again. He is working hard to regain self-sufficiency. Although the past year has been difficult, Richard is happy for a fresh start and has a positive attitude about his future. "I'm thankful for what I've got," he explained. "If it wasn't for this program, who knows where I'd be."

Hope House

DuPage County

Providing housing and supportive services to individuals and families who are homeless often due to divorce, job loss or depleted savings. During a temporary, short stay, participants work toward securing employment and permanent housing. Hope House also provides the only 24-hour crisis hotline to assist in the single point of entry process for the homeless services continuum in DuPage County.

Everything in Albert's life fell apart when his fiancé passed away quickly and unexpectedly. He tried to distract himself with work, but suffered a back injury that prevented him from performing his job functions and eventually he became unemployed.

Without an income, Albert was unable to pay his rent and he became homeless for the first time in his life. Albert was relieved when he was accepted into Catholic Charities' Hope House homeless shelter.

"I never dreamt that I would be in this situation," he revealed. As Albert attended meetings at Hope House and began making job contacts, he realized that this was a special opportunity for a fresh start.

Today, Albert has a job and has transitioned back into self-sufficiency. He's feeling optimistic about his life and is thankful for his experience at Hope House. He describes it as a wonderful program and said, "There's nothing better than being given the chance to start over."

Emergency Services & Homelessness Prevention

Will, Grundy, Kendall, DuPage, Kankakee, Ford & Iroquois Counties

Providing food and travel vouchers; clothing and furniture vouchers; financial assistance for prescriptions; rent/mortgage assistance, and information/referral to other community resources.

early childhood services

Will County

These programs include Head Start, Early Head Start, wraparound child care, Home-Based, and Expectant Mothers Initiative. Children participate in developmentally appropriate activities; receive medical and dental care; enjoy healthy meals and snacks, and appreciate playing indoors and outdoors in a safe center-based setting. Home-Based provides weekly home visits with an age appropriate educational focus for parent and child. Children with disabilities and differing abilities are encouraged to participate in an inclusive setting. Expectant mothers receive prenatal and post-partum education and assistance in preparing their home for their baby's arrival. Counseling and other mental health services are provided as needed to children and families. Family engagement is encouraged and supported. Family advocates work directly with families to provide supportive services such as financial planning and goal setting and assist in securing resources for job searches for employment, continued education, and ESL or GED in order for families to become self-sufficient.

HEAD START AND EXPECTANT MOTHERS INITIATIVE

Denisha felt overwhelmed when she found out that she was expecting her second child. She lives in a neighborhood where it is not uncommon to hear gunshots and where mothers keep their children indoors because it's unsafe to play outside. Her dreams of escaping poverty felt like they were slipping away. When she explained her concerns to staff at the Catholic Charities' Head Start center where her son attended school, they referred her to Catholic Charities' Expectant Mothers Initiative for guidance and help.

Her Expectant Mothers case manager helped Denisha build her confidence. The case manager made regular visits to Denisha's home and the two talked about the pregnancy and whatever else was on Denisha's mind. "It was very supportive," said Denisha. "I just needed someone to talk to."

Shortly thereafter, Denisha gave birth to a healthy baby girl who she named Cabriah. Today, Denisha is more confident. She is focused on moving to a safer neighborhood where her children can play outdoors and enjoy the carefree childhood they deserve. She is also planning to return to community college in the spring to continue to work toward getting her degree.

Will, Grundy, Kankakee & Iroquois Counties

Offering adults age 55 and older the opportunity to support and interact with their homebound, frail peers through regularly scheduled home visits.

SENIOR COMPANION PROGRAM

Charlotte has endured a rough couple of years. She lives alone in a small house in Joliet where chronic health problems have kept this senior homebound. After raising her family and having a successful career, Charlotte had trouble adjusting to her new life. "I became so lonely," she said.

A few towns over, Karen was facing challenges of her own. She'd been laid off from her job and was struggling with unemployment. Karen discovered Catholic Charities' Senior Companion program and decided to become a volunteer with the program.

After the pair was connected by Catholic Charities, Karen began visiting Charlotte twice each week for a few hours each time. The women have become close friends. They spend hours chatting and enjoying one another's company. "Karen is more than a senior companion," Charlotte said, "She's a great friend."
