

BOARD OF YOUNG PROFESSIONALS: LEADERSHIP

Andrew Luther, Chairman

I have been with the BOYP since the very first interest meeting in August 2014. Over the last couple of years, I've learned to embrace the role of leader and servant to the community. My wife, Beth, also a board member, and I have three fantastic kids and a dog. When I'm not at home or with the board, I work as an attorney for Power & Cronin, LTD.

Julie Primozic, Vice Chairwoman

I joined the BOYP shortly after its inception. As a graduate of Providence Catholic High School and a lifetime member of Alpha Phi Omega, I was eager to continue to serve my community with the BOYP. The BOYP has given me faith, friendship, and service. I work as a public defender for Will County.

Gary Hohbein, Treasurer

I joined the BOYP in 2014 for a chance to help others in need. As Treasurer, I track donations and expenses, create event budgets, and recently designed a Financial Literacy class for the residents of Hope House. My hobbies are reading, playwriting, and photography. I am the Controller for the Society of Critical Care Medicine.

Carrie Roberts, Secretary

I joined the BOYP as a general board member and transitioned into a leadership role about a year ago. I wanted to be a part of a group of young adults who passionately served the poor. I enjoy running races, drinking good coffee and gardening. I am the Director of Campus Ministry at Benedictine University in Lisle, IL.

Michael Sweeney, Volunteer Chairman

Like others, I joined the BOYP in 2014 and joined the executive team in the spring of 2015. I joined the board to network with other young adults and help give back to the Joliet community. I currently work for the University St. Mary of the Lake Mundelein Seminary as the Superintendent of Facilities.

Jane Christensen, Social Chairwoman

I have served on the board since its beginnings in 2014. I really enjoy the opportunity to serve the less fortunate in the Diocese of Joliet alongside other young professionals. I recently married in January 2016 and appreciate my husband, Jim, also a board member, coming to all the BOYP events!
