# dear friends

Dear Friends,

I pray that this note finds you healthy. As I reflect on our 2020 fiscal year, I am struck by how much our lives have changed due to the COVID-19 pandemic. What began as a peaceful year transformed into a time like no other we have experienced in our lifetimes.

At Catholic Charities, Diocese of Joliet, we have witnessed the devastation that the pandemic has created for so many of our neighbors who live on low incomes. On the frontline, we met countless families that lost their incomes and could no longer afford their basic living expenses. Working hours were reduced at jobs. Furloughs created months without a paycheck. All of these factors contributed to an increase in the number of individuals seeking help.

The photo on the cover of this report shows hundreds of cars lined up in rows for our Mobile Food Pantry at St. Mary Immaculate Parish in Plainfield. It's a heartbreakingly visual to represent the increased need in the community. Individuals arrived hours before these events began to ensure that they would receive a box of healthy food. Some Mobile Food Pantry locations witnessed four times the number of participants than in prior months. Catholic Charities responded to this need by increasing the number of Mobile Food Pantry events around the Diocese.

Our staff worked tirelessly in the early days of the pandemic to transform the way that we provided our programs and services to be as safe and healthy as possible. The homeless shelter guests were quickly moved to hotels to provide for safe social distancing. Our Aging and Disability Services were all provided over the phone to prevent any face-to-face interaction. Counseling switched from in-person appointments to phone calls and online appointments.

I am proud of how the Agency was able to serve a most vulnerable population during this difficult year. Catholic Charities will continue to provide programs and services during this pandemic and any other challenge that we may face in the future.

On a personal note, after ten years as executive director at Catholic Charities, I am starting a new chapter in my life as a professor at Catholic Kwandong University in the Republic of Korea. I am grateful to have worked with so many gifted team members, volunteers, Board members, Diocesan colleagues, and an inspiring community. My work with Catholic Charities has been a blessing for me.

As you look through this publication, you will see pages of generous donors. It is only through this support that we are able to continue serving the poor and vulnerable. Thank you for helping our clients through this difficult year.

During a temporary, short stay, participants work toward securing employment and permanent housing. Available services include case management, employment and education assistance, locating housing, and helping pay rent arrearages or security deposits. Each program participant is linked with the US Department of Veterans Affairs to gauge eligibility for additional VA benefits and services.

### Daybreak Center

*Will, Grundy, & Kendall Counties*

#### Shelter

Providing year-round emergency shelter 24 hours a day. The program also provides professional case management and wraparound services, such as employment programs, that promote self-sufficiency.

#### Shepherd's Table

Feeding all members of the community who are hungry and unable to provide for themselves by offering a free mid-day meal. Shepherd's Table is also used as a warming and cooling center during extreme weather.

Stan, 61 years old, is single and lives on a fixed income. Catholic Charities, Diocese of Joliet, has assisted Stan over the past few years with utilities and basic needs assistance. He only receives \$16 in government benefits for food each month and is unable to cover the cost of groceries.

During the height of the pandemic, Stan found himself needing mortgage assistance and help with other basic expenses. Thankfully, Catholic Charities remained open and ready to serve the community during this difficult time. When Stan arrived at Catholic Charities' DuPage County office, he was given paperwork to complete in his car. Then, he was given grocery store vouchers and gas cards safely through the door to maintain social distancing. Additionally, Catholic Charities connected Stan with Home DuPage, Inc., an organization that assisted him with a reverse mortgage.

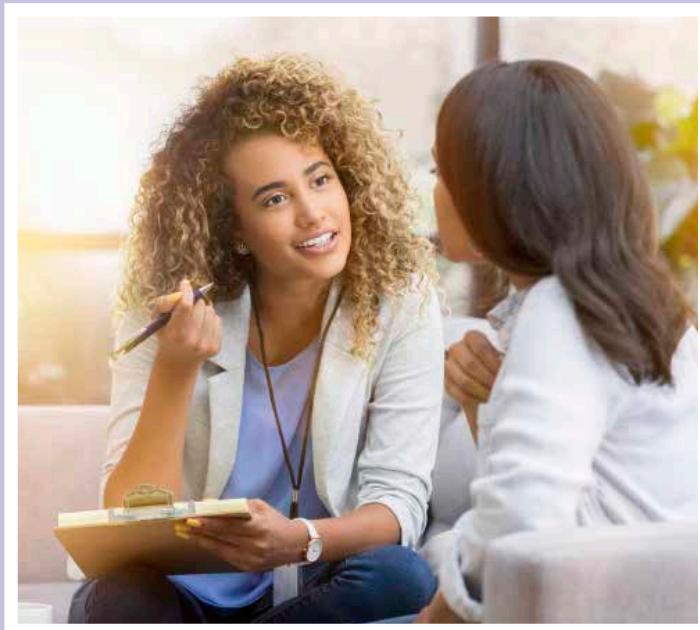

The help and referral that Stan received from Catholic Charities made it possible for him to continue living in his condo. He was so grateful for the assistance.

## Counseling

### Counseling Services

*Will, Grundy, Kendall, DuPage, Kankakee, Ford, & Iroquois Counties*

Providing healing and hope through caring and effective behavioral health services. The diverse and professional therapists provide a wide range of therapeutic services, including individual, group, family, and couples therapy, in addition to specialized services such as anger management groups and preventative education programs. Individuals and families who are struggling financially may qualify for services at a reduced fee. Most insurance is accepted, including Medicare Part B and Medicaid.

A single mother with five children was seeking support and guidance when she reached out to Catholic Charities' Counseling Services. Vera was determined to improve her family's lifestyle and to give them the love, relationships, and environment that they deserve. She works with a counselor to strengthen her emotional and mental health and has experienced great improvements in her life. Vera has gone back to school to pursue a career which will help her provide financially for her large family. She's able to better cope with the challenges that she continues to face in the meantime, including living on a very low income and not having a strong support system of family and friends. However, Vera fights each day to provide the best life and opportunities for her children. She is grateful for the opportunity to see a counselor at Catholic Charities and is optimistic about her future.

## Early Childhood Services

### Early Childhood Services

*Will County*

These programs include Head Start, Early Head Start, Home-Based programs, Expectant Mothers Initiative, and wraparound childcare services. Children participate in developmentally appropriate activities, receive medical and dental care, enjoy healthy meals and snacks, and appreciate playing indoors and outdoors in a safe, center-based setting. Home-Based Programs provides weekly home visits with an age appropriate educational focus for parent and child. Children with disabilities and differing abilities are encouraged to participate in an inclusive setting. Expectant mothers receive prenatal and post-partum education and assistance in preparing the home for baby's arrival. Counseling and other mental health services are provided as needed to children and families. Family engagement is encouraged and supported. Family advocates work directly with families to provide supportive services, such as financial planning and goal setting, and assist in securing resources for job searches, continued education, and ESL classes or GED classes to help families become self-sufficient.

Vince, three years old, lives with his mother and participates in Catholic Charities' Head Start Program. Due to her immigration status and lack of education (did not finish elementary school), Vince's mother has a difficult time finding an employment situation to cover her living expenses. She finds work wherever she can and currently makes money by collecting garbage. She feels ashamed and feels like others look down on her because of her work. In addition, her job is not always safe and the work is inconsistent. However, this strong mother is willing to do whatever she can to support her young son. Vince's mom is very careful with her money to ensure that she can pay rent and other bills. Without having had access to an education in her home country, she is especially excited that Vince has the opportunity to attend Head Start and feels confident that this will give him the educational foundation he needs to succeed.

Shirley, 73 years old, lives in a small town in Kankakee County. She and her husband of 53 years both had long and successful careers and had planned for retirement. However, unforeseen complications created financial hardship and stress. Shortly after Shirley's husband Ed retired, they received notification that they owed the IRS \$11,000. Then, Ed was diagnosed with Alzheimer's disease and Shirley became his caregiver. The cost of Ed's medical care during his illness was unmanageable on their fixed income and they fell further and further behind on medical bills (sadly, Ed passed away two years ago). Shirley also faces serious health concerns that require frequent medical appointments and expensive medication.

The burden of the bills and debt left Shirley feeling worried and unsettled. Her son told her about Catholic Charities' Money Management Program, which offers eligible adults assistance with money management tasks such as organizing and keeping track of bill paying, balancing checkbooks, identifying scams, and advocacy with creditors.

Today, all of Shirley's finances are managed by the Money Management Program. She meets with her case manager from Catholic Charities on a weekly basis. With Shirley's dedication, and help from the program, her bills are all getting paid and a huge stress has been lifted from her life. "I don't have a pile of paperwork on the table anymore," she said. "I don't have to worry about which bills to pay or not pay." She has paid what she owed to the IRS, credit cards, and medical bills. Shirley is grateful for the ongoing help she receives from Catholic Charities: "I would have been lost without this program."

# ways to give

## There are many ways to give.

At Catholic Charities, Diocese of Joliet, we understand that our generous benefactors have many different priorities and reasons for charitable giving, and we work very hard to ensure that each gift is carefully and thoughtfully used as the donor desires.

**Cash Donations** Cash contributions of any size are gratefully appreciated. Please send donations to: Catholic Charities, Diocese of Joliet, Office of Development, 16555 Weber Road, Crest Hill, IL 60403.

**Matching Gifts** Many companies have programs which match their employees' donations dollar for dollar. Consider asking your employer if there is a matching gift program in your place of business. You may be able to double the impact of your generosity with a matching gift.

**Monthly Giving** With a monthly donation, your credit card or bank account will be charged in the designated amount you choose. Through your commitment, you are making an immediate difference in the life of someone who is truly in need.

**Online Giving** Online giving is a safe, secure, and fast way to make a donation to Catholic Charities, Diocese of Joliet. Donate online at [www.catholiccharitiesjoliet.org](http://www.catholiccharitiesjoliet.org)

**Estate & Planned Giving** Planned gifts, including bequests in wills and trusts, have significantly enhanced the programs that Catholic Charities provides its clients. By naming Catholic Charities, Diocese of Joliet, as a beneficiary in your will, trust, retirement account, or insurance policy, your philanthropic commitment today will help us shape our programs serving those in need and will have an impact for generations to come.

**Charitable Gift Annuity** A charitable gift annuity works for Catholic Charities, Diocese of Joliet, supporters who want to make a gift and receive steady payments in return. Your payments are not affected by ups and downs in the economy, and you cannot outlive them.

**Appreciated Stock Securities** Donating stock is easy to do, and gifts of appreciated securities may result in tax savings for you. Our electronic wire instructions are DTC #141 for credit to account #32050744 for Catholic Charities, Diocese of Joliet. Our broker is Wintrust.

**Corporate Giving** Generous corporations support Catholic Charities through programmatic support, sponsorships of special events, drives for clothing and food, and volunteer projects. For many corporations, giving to Catholic Charities, Diocese of Joliet, is the most compelling way to support the communities where they do business and where their employees and customers live.

**In Honor of & In Memory Gifts** We have a tribute program whereby a gift can be made "in memory of" a loved one or friend who has passed on and who you would like to remember in a special way. In addition, an "in honor of" gift can be a meaningful way to celebrate an important event such as the birth of a child, a marriage, birthday, an anniversary, or as a unique way to honor a special person in your life.

**Gifts-in-Kind** Catholic Charities, Diocese of Joliet, accepts in-kind donations in support of our client programs. For example, new infant clothing, baskets to be used in fundraiser auctions, winter clothing for adults and children, kitchen tables and chairs and dressers. Gift certificates from, for example, Jewel-Osco, Target, and Wal-Mart, are always helpful as well.
