

What is AmeriCorps?

AmeriCorps brings people together to serve communities. AmeriCorps members serve directly with organizations and nonprofits to tackle our nation's most pressing challenges.

Find the opportunity that's right for you

We offer opportunities with different time commitments and requirements, meaning that you can serve in whatever capacity works for your passion, goals, and lifestyle.

Receive benefits for your service

Through our programs, we provide benefits for members, including education awards, housing stipends, living allowances, and supplemental health insurance. Benefits vary by program.

Develop a network that lasts a lifetime

When you serve with AmeriCorps, you join a network of more than 1 million strong. AmeriCorps alumni continue to give back to their communities after their service. The connections you make and the network you build while serving with AmeriCorps is unlike any other.

Enrich your life by helping others.

As an AmeriCorps member, you can choose the service opportunity that aligns with your passions.

Education

Mentor students to higher academic achievement, and keep them on track to graduate. Inspire creativity with STEM and robotics programs, or design cost-effective solutions to support teachers and tutors.

Disaster Response

Be among the first to respond when disaster strikes or help rebuild in the months following. Assist disaster survivors, and act as a force multiplier for other organizations on the ground.

Healthy Futures

Promote health and wellness. Combat the growing opioid crisis, and tackle food insecurity by building gardens and harvesting food for local families.

Environmental Stewardship

Get outdoors and restore public lands or bring environmental stewardship into classrooms.

Economic Opportunity

Build community and family stability. Build and rehabilitate affordable housing, provide financial literacy training, or connect people to jobs.

Veterans & Military Families

Connect veterans and military families to benefits, job resources, education options, and a community that understands the value of their service.

We empower an entire ecosystem of service.

Choose an opportunity to make an impact AmeriCorps State and National

AmeriCorps State and National is the matchmaker of national service. You can serve in a way that fits your schedule, skills, and interests. Select from hundreds of organizations that see service as a solution to local, regional, and national challenges.

Expand the reach of a nonprofit AmeriCorps VISTA

Fight poverty by helping an organization to expand its capacity to make change. Through fundraising, grant writing, volunteer recruitment, and so much more, gain experience and leadership skills that will set you up for a life of service in the public, private, or nonprofit sector.
