

Senior Health Insurance Program (SHIP)

Mission

We are a faith-based organization providing service to people in need and calling others of good will to do the same.

Serving Grundy, Kankakee and Will Counties

SHIP is a free and unbiased program from the Illinois Department on Aging that helps people who have Medicare and their caregivers with Medicare and health-related questions. The SHIP counselors are trained and certified, and they do not work for any insurance companies, so they won't try to sell you anything.

We can:

- provide one-on-one assistance with your individual situation and needs
- help you avoid high-pressure sales tactics by providing you with the information you need to make informed decisions about your health care options
- help you compare your current Medicare plan with other Medicare plan choices, including prescription costs
- help you enroll in a new plan

To learn more, contact the SHIP team at 815-523-9918 or agingservices@cc-doj.org.

All services are free of charge with funding made available through AgeGuide Northeastern Illinois.

We are seeking dedicated volunteers to join our team! Your time and skills can make a significant impact in our community. Contact the SHIP team at 815-523-9918 or email us at agingservices@cc-doj.org.
